

February 22, 2016

FOR IMMEDIATE RELEASE

Construction Work to Begin on N-21 In Lexington

Weather permitting, construction will begin February 29, in Lexington on N-21 from 9th Street to 20th Street, excluding the 13th Street intersection, according to the Nebraska Department of Roads.

The repair work will include removal and replacement of existing concrete pavement, sidewalks, and driveways. The storm sewer and street lighting will also be updated. Traffic will be reduced to one lane traffic each direction in the work area. A 10' maximum width restriction will be in effect while the roadway is under construction.

The project is anticipated to be completed in the late fall of 2016. Motorists are reminded to be extra careful in and near highway work zones, and to buckle up, every trip.
